Krystal:

Please confer with Sarah for when activities are taking place and who will be running them.

Please ensure that a lesson plan is written for each session ran by yourself and keep these and other documents/information/contacts obtained in an 'Outdoors Challenge' folder to keep for future reference and development of ideas.

Please design a generic certificate of completion for each activity to be printed.

Photos should be taken of each activity and sent to Sarah and Mr Sutton.

Please can you write a summary of highlights with photos at the end of the first half term and end of term to put into the Buckswood Newsletter to send out to parents.

Thank you,

Sarah Wilson
