

Buckswood Does the Splitz

The Splitz Dance School have set up a new dance academy at Buckswood School. Dance students can choose to follow the Buckswood Dance Academy (BDA) programme in which they can earn either Bronze, Silver, Gold or platinum awards. Students achieving the highest level of attainment will be selected for further advancement with the ISTD and IDTA.

The Academy is open to members of the public who are interested in having fun whilst getting fit. On Wednesday 13th October the academy is being launched at the school. As part of the launch Stacey will be visiting local primary school in the area to give free introduction lessons to students.
