BUCKSWOOD
FOOTBALL ACADEMY

HASTINGS UK

...in the press

Welcome to the Buckswood Football Academy. I must confess I know little or nothing about football itself, though I do stand on the touch line and support very enthusiastically. However, what I do know is that there are many young boys and girls that have a talent in this field and I want to be able to help them reach their goals. I will give them every opportunity I can to ensure that they get the very best so that they can do the very best. Not everyone will go on to play football professionally, they may reach National or County standard or end up playing for their University, their future employer's team or just in a friendly Sunday league. Whichever pathway they take I want to be able to ensure that we give them that opportunity so that they have an outlet that will help them to have that feeling of achievement and fulfilment. Facilities are of course important and every parent looks for the quality of the astro turf (and Buckswood is well equipped for good sport tuition), but more importantly I believe is "esprit de corps". All teenagers must have strong mentors to guide them and encourage them to be the best and our football coaches and support staff do just that, both inside the classroom and on the field, and it works. I am always amazed by the dedication of the football academy squad, out practising in all weathers, learning to work as a team and pushing themselves to be the best; what more can one ask? Too many nowadays just aim for the norm; the football coaches here instruct and instil a sense of purpose, belonging and a "can do" spirit.

THE HEADMASTER

get serio

the academy ...

... where academic studies and football go hand-in-hand ...

Buckwood School is a centre for football excellence and has produced players who have gone on to professional careers as well as supporting gifted players who want to play at the highest level but maintain their focus on their academic studies. The ethos of the Academy is to balance professional training in the Academy, which develops every player to be the best they can be, alongside a full academic program at A Level, IB, BTEC, GCSE, IGCSE as well as the junior curriculum for the younger ones, all within a well-structured British Boarding School.

The 'Buckwood Difference' and international heritage extends to the Football Academy and at any one time the Academy has players who come from the European, South American, African and Asian systems with their own style of play, which makes a Buckwood Academy player more versatile and adept, and a valuable addition to any team.

This combined system with a strong emphasis on mentoring has allowed players to thrive both on and off the pitch and transfer valuable skills between football and classroom studies which is why the Buckwood Football Academy has produced both Champions of England, European Champions* as well as champions of industry. The Academy has career path support for those wanting to play as professionals and has a track record of scouting opportunities and placing footballers at County, League, Premiership, national and international level as well as sending graduates on to University to study football related degrees or in other areas such as Business, Engineering and Law.

With a network of connections at the highest level of the game, and a track record of producing excellence, joining the Buckwood Football Academy opens a host of opportunities for young players to experience the world of football at the highest level and take their first steps to glory...

PRO-fessional training, prem

The Buckswood coaching approach...

With experience at international and Premiership level, the quality of coaching at Buckswood is as you would expect, second to none! Our coaches are UEFA professionals and qualified to guide players, honing their skills, developing their game, and ensuring that academy players consider themselves as athletes with the respect required by sports professionals.

As well as our highly qualified, expert coaches, the Academy is supported by the Buckswood Health Service with a staff of registered nurses and health assistants and various specialists including physiotherapists and sports conditioning coaches. A great addition is now a specific goalkeeping coach every week.

Director of Football and Senior Coach – Daryl Willard

I began at Buckswood Football Academy in September 2015. After coaching and developing young players at Chelsea FC and Tottenham Hotspur FC, I spent 5 years in Azerbaijan developing young national team players for the Azerbaijan FA.

- UEFA PRO Licence
- UEFA A Licence
- UEFA B Licence
- Youth coaches award (FA Qualification)
- SAQ
- Psychology for Football Level 1
- Player and Match Analysis
- Fitness and Nutrition Diploma

It was fantastic for me to develop young players and see them play for their club's first teams and even national teams against opposition such as Germany, Italy and Portugal.

In just a year we have seen great results from the academy. Hyeokjun Lee signed a 3 year professional deal at a European club side (Latvia) who compete in the Europa League, Takuki Bunya had a impressive trial at Manchester City (England) and Juan Emiliano spent a week with Malaga FC (Spain), Alonso Alvarez at Deportivo Leganes (Spain), Nick Abbott signed a 1 year professional contract in Spain.

But is not just about the Elite! Anyone who would like to participate can! We have now a development group which is available for players who just enjoy playing but maybe do not have the aspirations to be a footballer. We also have a girls football club which have been entered in regional and national competitions as well.

My job is simple... to help young players achieve their potential on and off the pitch.

At Buckswood there is a fantastic balance between academics and football and I am in constant communication with the teachers to make sure the shared focus between football and academics is maintained. Acting as a mentor to all the Academy players, I personally oversee the educational, personal and football development and weekly progress reports keep you in the loop too.

TIM NOTKE “hard work beats talent

Junior Football Academy in association with Chelsea FC Foundation...

Chelsea Foundation Coach – Ed Stimpson

Ed is a Chelsea Football Club Foundation coach holding UEFA B coaching licence, FA Youth Awards, UKCC Athletics and Basketball awards, Multi- Sports Coach, SAQ trainer and Futsal coach.

Ed has been working as a Sussex County FA Girls Development Centre Coach as well as training the Brighton and Hove Albion Women's Reserve Team, working at the club for over 5 years.

Ed will be coaching and mentoring players in, the Junior Football Academy in association with Chelsea Football Club Foundation, as well as spending half of his week out in the community, visiting local primary schools and getting involved in promoting a healthier, happier community.

when talent doesn't work hard"

the vision of the academy..

So how does it work on a day-to-day basis

Unlike other Football Academies, the Buckswood Academy Program runs alongside a full academic timetable, and players have to maintain progress equally in both areas. Football scholars follow the normal academic school program. Maths or science are not sacrificed for extra football. At 4pm the academy scholars will get changed into their academy kit and will focus on football for an hour and a half each day (2 hours on a Saturday morning). Both in the class and on the pitch, players will develop in the following areas:

Technical ability

- Ball Control
- 1v1s, 2v2s, 2v1 etc
- Weight of pass
- Ability under pressure
- Shooting

Tactically aware

- Position understanding as an individual
- Different formations
- Understanding the game when in and out of possession

Psychological

- Decision making
- Learning new skills
- Gaining confidence
- Awareness

Social

- Making new friends
- Rules
- Behaviour
- Team building

Physical

- Speed
- Power
- Strength
- Agility
- Sprints

do you hav

Charlie, Senior Academy Player

The coaches also focus on teaching the students about: nutrition; hydration; injuries; stretching and flexibility; weaker foot coaching; individual coaching.

Away from the pitch, the coaches will further enhance players with a host of benefits which include: regular matches; extra qualifications; scouting opportunities; European Tours.

Remember, Academy staff not only coach, but also mentor, offering support and guidance in every aspect of life from study, personal organisation, health and fitness, and developing every player to be self-reliant and resilient.

...e the desire and the passion...?

Senior Football Academy

(14-18 years)

The Buckswood Academic Football Academy runs alongside regular GCSE (including the 1-year course), A Level, BTEC Sport or IB study programmes offered by the school. The Academy Director insists on constant, daily dialogue with the academic staff within the school, ensuring the right balance of academic achievement and football-related work, with academics always as the main focus.

Buckswood School places a strong emphasis on structure, respect, discipline and honesty within its multi-national community and this is mirrored across the Football Academy. In fact, the Academy boys are even more regulated, being under the watchful eye of the Academy Director and having to meet his very high standards of commitment, behaviour and respect.

FA Coaching Badge / Referees Badge

Every Academy Player has the opportunity to pass their Level 1 FA Coaching Award. This enhances the students' knowledge of the game and more importantly gives the students the confidence to become stronger and more knowledgeable players. For those who prefer to be in charge they can also take their initial Referees Badge and see things from a different perspective.

where quality is

Junior Football Academy

(10-13 years)

in association
with Chelsea FC
Foundation

Buckwood School has been home to the Buckwood Football Academy (BFA) for five years and has developed a worldwide reputation for delivering expert football tuition with a British boarding school education. Reaching goals on and off the pitch, past graduates have gone on to study at some of the UK's best universities or start careers as sports professionals.

Now in its second year, the **Junior Academy in association with Chelsea FC Foundation**, for younger players are introduced to 'the beautiful game', benefit from the international curriculum of the Junior School and feed into the Senior Academy as well. The Academy will also deliver sports activities to the wider East Sussex area, continuing the Buckwood tradition of inspiring through opportunity...

Academy Highlights:

- ✓ For boys and girls, aged 10-13, day and boarding places available
- ✓ 4.5 hours per week of dedicated football coaching with a Chelsea FC Foundation coach
- ✓ Full Chelsea FC Foundation training kit presented at inaugural visit to Stamford Bridge
- ✓ Visits to Stamford Bridge and Cobham Training Ground
- ✓ Regular matches and scouting opportunities with post-match analysis and reports
- ✓ A British education with British and international scholars from over 40 nations and so much more...

As expected, effort is demanded...

the facilities...

From multiple astro-turf pitches, grass pitches, video analysis room, gym, health centre and swimming pool, the facilities at Buckwood School are the ideal training ground to prepare our players to uphold the School's tradition of dominating the playing fields and keeping the victory bell ringing.

With most Academy players boarding at the school, the camaraderie between the players is strong and with unlimited access to the gym, swimming pool and evening activities such as fitness training sessions, match trips and group game watching in the cinema room, the Buckwood Football experience is unrivalled and produces results.

kswood, a school and a home...

trips & tours...

International Trips

Our international tours take our players out on the road to experience the world of football at the home of some European giants! Staying at, training with and playing matches against other Academies, and watching matches in Europe's most famous grounds makes our Academy players work harder and find hidden passion that drives them ever closer to their career goals.

Recent trip destinations:
