

PSE Planner 2017/18

Topics to be focused on each week:

The theme will run throughout the week and will be reinforced at the various group meetings. Just because a topic has been covered it does not mean it's finished! Topics can be brought up at any time. NB At the end of each term, each class has to produce a piece of work demonstrating understanding of the key topics. This could include presentations, posters, role-play, assembly talks, etc. You will need to divide up tasks and monitor this work, so that your form produces a good display each end of term. Please note that inappropriate online behaviour (gaming/grooming/sexting/bullying) and keeping safe online will be covered as part of the ICT curriculum at the start of term. Please liaise with Richard Foster re materials used when you do the follow up sessions, later on in the year.

1	In form periods (Tuesday and Thursday) and hub focus groups	2	Assembly (Friday)
3	Weekly House meetings (Sunday)	4	PSE Lessons

Materials can be gathered from the Wellbeing Hub

Week	Date	Topic	Resources in the hub
------	------	-------	----------------------
