It is a condition of entry to Buckswood School that children without a parent resident in the UK must delegate parental responsibility to a suitable local guardian. A Guardian or Guardian Agency must be appointed before an international student enters Buckswood School, irrelevant of the age of the student.

The selection of a guardian is the parent's responsibility.

Parents who reside outside of the UK are expected to complete our **Guardian Form** which provides the School with full details of the Guardian before the arrival of the student to the school.

While a child is with his/her guardian, the parent - not the school - is responsible for his/her welfare. **AEGIS** (Association for the Education and Guardianship of International Students) can provide you with a list of reliable local guardianship agencies, as necessary. www.aegisuk.net

Parents are expected to inform the School if there are any changes to any details relating to the Guardian.
