

Buckswood Boarding News

This Saturday we hosted the annual Oscars Awards ceremony. This was a fantastic opportunity for the boarding community to come together and get dressed up! It is a time to reminisce on the months gone by and present awards to members of the house for their character, efforts and achievements. Miss Rebecca drafted in reinforcements to help set up the hall beautifully and Mr Fitchett and Mr Sebastien were the hosts for the evening; it was a very special evening and one for the memory books.

It's the Oscars!

As with any awards ceremony, it is important that the guests are entertained. A huge thank you to the following students who created amazing performances:

Prim (Kipling House) – performed a piano piece

Santi, Fabian, Nicholas, Tomas, Daniel, Pablo, Victoriano, Oscar and Rodolfo (School House) – performed La Gasolina with excellent dance moves!

Gabriel, Farouq and Kelvin (Kipling House) – performed football tricks and a song

Congratulations to all of the students who were awarded an Oscar. Every boarder deserves an Oscar as at Buckswood every child has a talent. However, the Housestaff were tasked with choosing just 6 awards for their respective house.
