Sporting Excellence

Last week saw our under 16 Football team in the ISA National Cup Final. They were sent off after a special assembly in the Great Hall, up to St George's Park where the guys would be staying the night in preparation for the game the next day. The Students played some fantastic football but unfortunately it wasn't to be their day. They lost 4-0 to the eventual winners Brooke House, but can be so proud of their achievements to get to this point. They can say they are one of the best top two teams in the UK and we are all so proud of them.

The U14 Netball team also did us proud by winning the U14 Hastings and District Netball Tournament. They won every game except one which they lost by one goal. The girls played some fantastic Netball and which reflects the hard work they all put into training.

And finally – the new squads timetable is out, with old favourites like God’s Squad, but with new additions such as Cricket and Cheerleading. Check it out.
