Sporting Excellence

The 1st of May marked our first golf fixture of the term, travelling to local Lynx course Cooden beach to participate in this year's Super Sixes;

We took 6 talented golfers 2 of which had handicaps and 4 who are still learning the game. The golfers were placed into pairs and faced 2 pairs from local schools; William Parker, St. Leonards Academy and St. Richards.

The golfers and great rounds of the make shift 6 hole course with Andrew Jones and Will Kendall Scoring the lowest card of the game with an impressive 19 shots.

We unfortunately finished second place out of 4 with St. Richards retaining their crown for top spot. We are immensely proud of the students with local school teachers commenting on how impressed they were with our ability, politeness and willingness to encourage others.

More Golf news, Buckswood has a professional golf coach offering a free taster session this Weds 3.30pm. Any students can sign up to it, please see Mr Fitchett (Golf Academy Director) or Miss Godon with your name to get involved.

Buckswood are extremely lucky to have a special visitor from Harlequins ladies to coach our girl's rugby team. Ellie Miles is visiting Buckswood Weds 15th May, 2pm to do a specialised session with our emerging girl's rugby team, coached by Joe Rowe and Kit Claughton and Captained by Susan Atiomo. We look forward to seeing the results.

And finally..... the Summer term is normally a lot quieter for sports fixtures as we come into exams season. Although sport still holds an important place at the heart of Buckswood we do recognise that students also need to have time to

prepare themselves for their final exams. Therefore, we do ensure that the Sports calendar is lighter to give students the maximum opportunity to achieve well academically. However, for the first year ever Buckswood will be entering the Town Sports Athletics event in June so watch this space for the team selected and our results. Training starts this week in Sports lessons.
