#### Sporting Excellence

Our Athlete of the term awards were given at the end of last term. 4 worthy winners received a certificate for all different aspects of sporting life at Buckswood.

Peggy Shen – excellent involvement in Sports lessons, especially Rugby and cheerleading.

Luke Payton – fantastic all round sports player as well as creating the Staff V Students cricket match.

Lilia Bull – for excellence in sports fixtures, Cricket and Rounders.

Steven Bila – for creative thinking and analysis in Sports lessons, and leadership skills.

The Girls Rugby squad enjoyed a special coaching session from Ellie Miles, a professional Rugby player for Harlequinns Rugby Club. She certainly put the girls through their paces but they all thoroughly enjoyed the day. Many thanks to Rugby coaches Joe Rowe and Kit Cloughton for running the session. The girls were absolutely buzzing.

And finally..... the track is down, the grass is cut, that must mean only one thing. Sports Day is nearly here. We cannot wait for Sports Day and the week leading up to it. The students have all started practising in their lessons and some new potential records are already on the table. Sports Day is always an enjoyable day and we can't wait to see you all. Buckswood for the first year ever is also entering the Town Sports in Hastings, so Sports Day will be great preparation for this.
