London Academy of Trading

Based in London City - 1 Week

- Introduction to Banking, Finance and Trading,
- Intensive experience as to the roles, responsibilities and divisions within the Finance, Banking and Trading sectors.
- Speakers are experienced traders and technology providers.
- Certificate from LAT and Bloomberg as well as their trading data.

Work Experience

Work placements based either in the local area, London or even across the globe. This gives our most senior scholars the ability to apply the theory they have learnt in the classroom to the workplace environment. Each placement is tailored to the subjects and interests of the individual student. Work experience is flexible lasting for one of two weeks, This year's placements include; two students in marketing at the Lottery of Montenegro, One at the Chinese Financial Institution, Accounting experience in Kazakhstan and Turkey, Insurance Companies in London and many more, gaining them valuable experience and contacts for the future.

Other Programmes Offered

- Young Lawyer Programme
- Architect Course
- Doctor Course

Harvard Summer School

- Learn from Harvard faculty and industry experts.
- Flexible study options, including online and on-campus classes.
- Build a network among a global community of learners.
- Access Harvard's renowned libraries, museums, and computer labs.

Broomham Trading Company

Buckswood School enters its own Broomham Trading Company into the enrichment programme.

- Students aged 15+ can set-up and run their own company over the course of one academic year.
- The students raise finance, develop a product, promote the company, sell the products to the public and manage the finances.
