Subject options 2020-21

What's new:

- We are opening three Intensive ENglish (IE) classes to line up with the 3 Key Stages in terms of ages of students.
- The aim is for IE students to successfully complete the year and join mainstream classes appropriate to their age the following year.
- IE1 students will be able to join certain mainstream classes if their English ability allows (Science, Art, etc).
- IE1 students will have the opportunity to integrate with UK students in subjects like Games, British Culture and Innovation.
- IE2 and IE3 students will have the opportunity to integrate with UK students in Innovation and Games.
- Those wishing to join the Football academy in IE2 and IE3 will have football instead of Innovation and Computing.
