# MODEL UNITED NATIONS BERLIN 2019

## BUCKSWOOD STUDENTS REPRESENT THE PHILIPPINES

Buckswood actively promotes internationalism through participating in Schools Model United Nations in the UK and abroad.

In November 2019 we were selected to participate in Berlin Model United Nations alongside 75 international schools from around the world.

Berlin Model United Nations is committed to promoting friendship across borders; Buckswood scholars marked their respect at the Berlin Wall memorial site for those people who have suffered persecution.

Buckswood School represented the Philippines at BERMUN; our delegates prepared and presented policy papers, resolutions and made amendments across three days of intensive negotiation, lobbying and debate.

We, at Buckswood School, are growing our Model United Nations Society and we are looking forward to participating in a range of Model United Conferences in 2020.

## THE NEW BUCKSWOOD DEBATING CHAMBER

A facility where students learn the art of debating & communication. Student council meetings are also held here.
