

BUCKSWOOD DUBAI TRIP 2019

Our adventurers travelled all the way to the crest of the palm to enjoy the delights of Atlantis AquaAdventure water park.

There were plenty of waterslides to enjoy for the adrenaline seekers but also the lazy river for a more relaxed day in the sun.

AMAZING
AQUA

Our adventurers dived to the depths of the Arabian sea to experience a discovery session of scuba diving. Clear water enabled our adventurers to see lots of fish and discover what lays beneath the surface.

SPECTACULAR
SCUBA

Who would have thought you could ice-skate in the sunshine?...

Well our adventurers did and thoroughly enjoyed their experience in Dubai Mall. Some even managed to watch an ice-hockey match.

INCREDIBLE
ICE-SKATING

Our adventurers managed to hit the slopes of Dubai's indoor ski centre where they enjoyed tubing, bobsledding, snowballing, snow bumping and much much more. It was nice to get back into the sunshine though.

SUBLIME
SKIING

Not content with just staying in the city our adventurers travelled out in to the desert to enjoy quadbiking, camel rides, sand boarding and sand bashing. It was a hold onto your hats moment as we steamed through the desert. We even got to enjoy an authentic Arabian meal under the stars.

DELIGHTFUL
DESERT

A Buckswood adventure wouldn't be complete without experiencing the very best that the city has to offer. Our adventurers dressed to impress as we travelled to have afternoon tea at the flagship Burj Al Arab that dominates the Dubai skyline.

BRILLIANT
BURJ

Our adventurers travelled down the old town river and kitted themselves out in traditional Arabic attire ready to explore the souks and grab a bargain.

OBSERVING
THE
OLD TOWN

The Buckswood family spreads far and wide and our adventurers we hosted in Mr. Mamutchadze's Georgian restaurant in downtown Dubai where they tasted Georgian delights. A huge thank you to the entire Mamutchadze family.

GORGEOUS
GEORGIA
