

BUCKSWOOD

FOOTBALL ACADEMY

Top 10: what's new for September 2020

1	<p>U12 to U16 Football Trip to Lisbon, Portugal</p> <p>Fancy being coached by Sporting Lisbon Coaches that worked with former World Player of the Year and current Juventus Star Cristiano Ronaldo? A stadium tour to Benfica's Estadio de Luz, Beach Football and two matches against Portuguese opponents are the Highlights of this unforgettable trip in May Half-term!</p>
2	<p>Partnership with Football agency – Evytal</p> <p>The Buckswood football academy have teamed up with Dutch based Football agency Evytal. Evytal football agents will attend Buckswood games looking for talented players to recruit for their football agency. Please see a link to their website – www.evytal.com</p>
3	<p>U19 Trip to Finland & Estonia – Have you got what it takes to earn a professional football contract?</p> <p>The U19 team will travel to Finland & Estonia in February to play against four professional clubs. Football managers, Scouts and agents from all over Scandinavia will be invited to view the games. This is a great chance to earn a professional football contract and is perfect for any players aspiring to become a professional footballer.</p>
4	<p>Integrated Training sessions – Train like a Pro!</p> <p>Each student will have four, two hour training sessions integrated within their school timetable. This will enable more training sessions to take place on grass, for us to coach position specific sessions more often, and a fantastic ratio of 20 players to 3 coaches.</p>
5	<p>Masterclass Series</p> <p>Coaches from professional clubs will come to Buckswood to deliver one off coaching sessions providing not only their expertise but a fantastic opportunity to be scouted by the coach for their team.</p>
6	<p>Fitness Testing with Sports Scientists from Premier League Club – Arsenal FC</p> <p>All players will be fitness tested by Arsenal FC staff and given a handout which will give each player their results but also compare them to Arsenal Academy players of the same age. This will give each player a fantastic understanding of how good they are from a physical perspective.</p>
7	<p>Nutrition Workshop with Tottenham Hotspur First Team Performance Nutritionist</p> <p>He works with England Internationals Harry Kane and Dele Alli on daily basis but Tottenham's First Team Performance Nutritionist Craig Umenyi has agreed to come to Buckswood to deliver a Nutrition workshop to all players.</p>
8	<p>UFC Football Studies</p> <p>This year we are pleased to offer our Football Academy students the chance to complete our UFC in Football Studies. This means they will have the chance to boost their CVs and personal statements by completing this university recognised course. Perfect for any students thinking about a Sports or Business related degree at University.</p>
9	<p>Specific Goalkeeper Training</p> <p>All goalkeepers will receive 90 minutes a week of specific Goalkeeper training with our full-time Goalkeeper coach as well as team training sessions. With guest appearances from Goalkeeper coaches from professional clubs we think we have the best Goalkeeper programme in the country!</p>
10	<p>Kit Deal with Pro Direct</p> <p>We have partnered with Pro Direct to provide us with all our kit for the next two years. We are staying with the Nike brand and hope you love the kit as much as we do! Pro Direct will also provide us with their Boot Van twice a year which is normally reserved for Professional Clubs. The van is full of the latest football boots and allows players to train in the newest boots before deciding if they want to buy them!</p>
