SIGNING WITH  
WATFORD FC - PREMIER LEAGUE

"If the plan doesn't work, change the plan, but never the goal."

## KANE CRITCHLOW

Midfielder at Watford FC

Kane played for the Buckwood U19 team in 2016 and in that year represented Bermuda at the U17 World Cup. Shortly after leaving Buckwood, Kane joined League one side AFC Wimbledon having a successful year featuring for their U23 side before joining Premier League Watford and representing Bermuda at U20 level.

Kane has continued to shine at Watford with Watford Academy manager saying:

"Kane has shown great attitude combined with top technical quality in his time with us so far, which suggests to us that he can go a long way."

"He's a very talented player on the ball, he can play off both sides and use both feet very well and he can finish, so we're expecting him to be very dangerous in the top third of the pitch."
