The Buckswood Football Academy racks up hundreds of miles every season playing in local, regional and national competitions to challenge our players but we also organise an international trip each year.

Our international tour takes our players out on the road to experience the world of football at the home of some European giants! Staying at, training with and playing matches against other Academies, and watching matches in Europe's most famous grounds makes our Academy players work harder and find hidden passion that drives them ever closer to their career goals.

Recent trip destinations:

- Atalanta Training Camp (Italy)
- · St George's Park and training with England coaching staff
- Barcelona International Tournament
- Villarreal (Spain) International Tournament

We also try to go on day trips which saw us watch the Premier league game between Brighton and Leicester City, a League One game between Wycombe Wanderers and Lincoln City and we had a stadium tour of Wembley.
