## Top 11: what's new for September 2021

1	<b>U19 Trip to Dubai</b> The U19 team will travel to Dubai to play against four professional clubs. Football managers, Scouts and agents from all over will be invited to view the games both live and online. This is a great chance to earn a professional football contract and is perfect for any players aspiring to become a professional footballer.
2	<b>U12 to U16 Football Trip to Lisbon, Portugal</b> Fancy being coached by Sporting Lisbon Coaches that worked with former World Player of the Year and current Juventus Star Cristiano Ronaldo? A stadium tour to Benfica's Estadio de Luz, Beach Football and two matches against Portuguese opponents are the Highlights of this unforgettable trip in May Half-term!
3	<b>New 4G Astro Turf</b> Weather depending, a new state of the art, 4G Astro turf will be laid before school starts in September. The surface will replicate a fantastic grass pitch and will allow us to play football all year round in any weather!
4	<b>Fitness Testing with Sports Scientists from Premier League Club</b> All players will be fitness tested at the start of the season and given a gym plan based on these results. This will give each player a fantastic understanding of how good they are and what they need to develop from a physical perspective to reach their potential.
5	<b>Specific Goalkeeper Training</b> All goalkeepers will receive 90 minutes a week of specific Goalkeeper training with our full-time Goalkeeper coach as well as team training sessions. With guest appearances from Goalkeeper coaches from professional clubs we think we have the best Goalkeeper programme in the country!
6	<b>VEO Camera</b> We have recently made a substantial purchase in acquiring a VEO Camera. The VEO camera is a high quality device enabling us to record our matches, zoom in on individual players, edit all footage to create highlights videos and every player will have access to their games within 24 hours of the match being played!
7	<b>Showcase Games</b> We are going to arrange Showcase games for all our ages groups which will take place against semi-professional and professional club teams. Football coaches, Scouts and agents from all over will be invited to view the games both live and online giving our players a fantastic experience and platform to play on.
8	<b>Boot Van!</b> We have partnered with Pro Direct to provide us with all our kit for the next year. We are staying with the Nike brand and hope you love the kit as much as we do! Pro Direct will also provide us with their Boot Van twice a year which is normally reserved for Professional Clubs. The van is full of the latest football boots and allows players to train in the newest boots before deciding if they want to buy them!
9	<b>Wembley Stadium Tour</b> We will be taking a trip to the National Football stadium to take a tour and each player will have a chance to lift the FA Cup. We will also get a chance to explore behind-the-scenes of the UK's largest sports and entertainment venue – taking you deep into the heart of the stadium to those areas usually reserved for the biggest names in sport and music.
10	<b>Premier League Football Matches</b> With crowds starting to return to football matches we will go to see a minimum of two premier league matches and will also see matches at our local Non League club Hastings Utd.
11	<b>Football Partnership outreach work</b> Students complete Charity work to help support the Buckswood Football Academy Partnership clubs around the world who work with children less fortunate than themselves.
