

Discovery

JUNIOR SCHOOL

10-13 YEARS OLD
FORM 1-3
KEY STAGE 3

At Buckswood, our curriculum aims to be broad and inclusive, but with enough flexibility to allow each student to develop their individual strengths and interests. Learning is a journey of academic and personal discovery, in order to be successful, it is important students choose appropriate academic pathways which will prepare them for the next stage of their education.

We believe our curriculum, equips our students with the necessary academic and social skills, to thrive as international citizens in our globalised world.

THE JUNIOR SCHOOL- caters for students between 10 and 14 years of age. It is an integral part of this traditional British independent school, and it is where the whole process begins as we prepare our students for entry to the top UK Universities. Our timetable embraces a traditional British curriculum with 12 different subjects, Extra English language support is provided for international students. All students are able to use the unique Buckswood 'Access Time', a free facility allowing students 1-to-1 assistance from their subject tutors.
