

BUCKSWOOD - THREE PATHWAYS IN THE SIXTH FORM

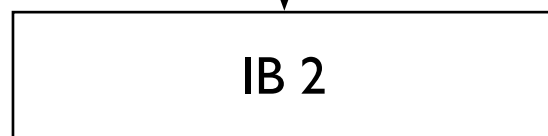

At Sixth Form level it is all about finding the best fit pathway for each student. Buckswood is unique, in that we offer THREE different pathways to university. During year one, Sixth Formers study either A level or the IB.

In year two, we can help our students even further. If the year one study programme did not go according to plan, in terms of achieving set targets, then all is not lost, we can offer our UFC programme in Business, Hospitality and Tourism and Football Studies (BFC).

These three options can therefore appropriately match a student's aptitudes and learning styles and are a tried and tested steppingstone to university study, both in the UK and overseas
