Buckswood Level 3 Foundation Courses - Go Big!

Level 3 Courses A Foundation Course

Our Foundation courses are suitable for students who require a different pathway from the traditional A level and IB route. These one-year courses are popular with students who want to specialise in a subject/career they are interested in, before moving on to further study at a UK university.

University Foundation Courses

Business - Students have the opportunity to experience business in action through their involvement in business enterprises and workshops, through visits to businesses and the use of real life case studies. There is a good grounding for employment in many areas, including: marketing, economics, finance, accounting, operations, human resources, and the public sector. The course is recognised by Royal Holloway University and accepted by a number of top UK universities.

Hospitality & Tourism - Looking for a career in Hospitality and tourism? Well this is the perfect introductory course for you. You will have the opportunity to gain work experience in a hotel as well as learning about different leadership models within the industry. You will learn about the importance of Eco tourism, customer service and training and motivational models - and so much more. Hospitality and tourism is an exciting and fast moving industry that is rewarding and global. Join this course and make a dream come true...

Football Studies -

This course is designed for those looking for a career in the world of football. The course covers Modules including an introduction to Football structure and development, football and the world of Business and Football Management as well as examining management in the elite club setting and the importance that grass root football plays in this industry. You will have the opportunity to join a football organisation to gain some experience in the workplace. The world of football is vast and you will have a chance to explore some of the many facets of football including merchandising, marketing and PR. Join this course and combine your studies with your skills and make your dream come true...

Are you interested in pursuing a career in the dynamic and exciting fields of Business, Football, or Hospitality? Look no further than our three, 1 year, University Foundation courses! Our programmes are designed to equip you with the skills, knowledge, and experience you need to thrive in these competitive industries. Our Business programme offers a comprehensive curriculum that covers all aspects of business. You'll learn about accounting, finance, marketing, management, entrepreneurship, and more. As part of our Football Studies programme, you'll have the opportunity to explore the business of sports, including topics like sponsorship, merchandising, and player management. Perfect for students involved in our Football Academy. Studying our Hospitality curriculum, you'll learn the skills needed in the fast-paced world of hospitality management, from hotel operations to restaurant management and beyond.

Our University Foundation course also offers a range of extracurricular activities, including networking events with industry professionals and internship opportunities. Plus, with our small class sizes and personalised attention from staff, you'll receive the support you need to succeed.
